## Introduction

Here is a sentence in which we cite an article on fMRI (Poldrack 2012). Here is another sentence in which we cite a paper on maximum likelihood estimation (Myung 2003). Finally here is a citation of a book on evolution (Dawkins 1996).

Here is a sentence in which we cite all three (Poldrack 2012; Myung 2003; Dawkins 1996).
